

## **EXCLUSIVE BUSINESS PROPOSAL**

### **LIQUOR DISTRIBUTION AGENCY 'VADMACA CANADA'**

## COMPANY PROFILE

We are a group of international professionals from alcohol industry built this company to create opportunities to consumers all over the world to get pleasure from traditional Ukrainian food, as well as consumers living in North America and Asia!

Ukraine is known worldwide as a producer of competitive food products, which high quality is appreciated by consumers in America, Europe, Asia, Africa and the Middle East, particularly of alcoholic drinks.

In fact this is in Ukraine there are many world famous alcohol manufacturers, whose brands are named among the world's top as the most consumed. For example, the 'NEMIROFF' – is one of the leading Ukrainian and international beverage industry producer of unique kinds of distilled and aged in the best Ukrainian traditions. **VADMACA** is proud to be an official distributor of Ukrainian 'NEMIROFF' on the alcoholic beverages world market.

The time has come to show the competitiveness of Ukrainian alcohol products and we strive to provide you with the wide range of premium quality alcohol drinks including: vodka, wine and beer.

## OUR VALUES AND VISION

**VADMACA** is an established importer and exporter of alcohol products in Canada and China. In particular, our company is a licensed supplier of the alcohol products to British Columbia Liquor Distribution Branch /license # 306711/.

Our company represents exclusively on the world markets the excellent producers located in Ukraine. Together with them we supply our markets with wide range of wine, beer and spirit products.

Today **VADMACA** has a portfolio of over 100 SKU listed in the different markets. Our mission is to continue and grow expanding the business with strategic partners in Asia.

Our key value is to sell the alcohol products from Ukraine of the proven high quality at the affordable price. The quality of our alcohol products is tested regularly by UBC Wine Research Centre (The University of British Columbia, Canada).

As a part of the expansion of its international activities in order to facilitate the manufacturing of alcoholic beverages and quality control **VADMACA** opened a representative office in Kyiv, Ukraine in 2015.

# WINES

**VADMACA** has launched the wine bottling capacities in Odessa and Kherson regions, located in the south of Ukraine, on the Black Sea coast. Both regions are very splendid for the grapes cultivation and production of high quality wine materials. Today the assortment includes three categories: table, dessert and sparkling. The most challenging and remarkable table wines according to the results of blind tastings represented by UBC Wine Research Centre are: Bastardo, Pinot Noir, Saperavi, Muscat, Sauvignon.

## RED WINES

Product details					
Grape Variety	Color	Alcohol	Sweet-Dry Scale	Current Vintage	Description
Bastardo	Red	13%	Dry	2017, 2018, 2019	<p>The wine has a dark-ruby color, the aroma is clean, varietal with tones of milk chocolate prunes and cherries, the taste is harmonious, extractive, with moderate abrasion</p> <p>This wine has a complex aroma and flavor with strong notes of black currant, black cherry and mulberry. The taste is harmonious, with firm tannins and an impressive finish.</p> <p>Best paired with beef, veal and pasta dishes</p>

# BEER

**VADMACA** is an exclusive distributor of the **Altmüller BEER** in Eastern Asia region.

**Altmüller BEER** is an exceptionally natural product made according to ancient Ukrainian and German recipes. Only natural ingredients of the highest quality are being used, which due to natural fermentation turn into fragrant boozy.

For the fermentation of the **Altmüller BEER**, the special secret race of yeast is used, which for many years gives a good result.

The receipt for this beer is a joint development with specialists from Germany, which guarantees an extraordinary taste of beer and allows to preserve the natural properties of beer.

All equipment for the beer and lemonade production is of German origin. The technology guarantee the highest quality of the process of washing, cleaning and disinfecting of all equipment, designed for malt crushing and the finished products bottling. At the same time, there is no need for the equipment to be disassembled or opened - the whole process is fully automatic and is being controlled with modern software.

# BEER

## ‘AltMüller Original’

Beer is prepared on the basis of light and caramel malts with the addition of barley and corn grits using high-quality hops. The combination of 4 types of raw materials gives the beer a unique soft, balanced malt-caramel taste and aroma. A subtle combination of natural caramel flavor and hop bitterness allows you to feel all the nourishment and balance of this beer.

## SPIRITS

**VADMACA** is an official distributor of **NEMIROFF** - the brand with a 150-year history presented in 5 continents.

Its production dates back to 1872 in Nemyriv town, known for the largest Podillia distillery opened after reconstruction. The principles in which Nemiroff Company follows until now were formed 150 years ago: high quality standards, keeping with ancient recipes, constant production improvement, and search for new flavors

# SPIRITS

## KEY ADVANTAGES

### Natural purity of water

Podillia is the land of thousands of lakes and artesian springs.

Water used for Nemiroff vodka undergoes natural mineral filtration and remains natural and pure during the entire production process. This is the basis for the perfect taste of Nemiroff products

### Natural Ingredients

Nemiroff constantly implements innovations, while experimenting with technologies and taste; renovate old and create new recipes based on high-quality natural ingredients.

With every coming year, this allows more and more people worldwide to enjoy the perfect taste of Nemiroff products

### Global Acceptance

Nemiroff is a brand created in Ukraine for consumers worldwide. Today it is presented in 80 countries and stands among TOP 10 global vodka brands and TOP 3 vodka suppliers of Duty Free stores. During the last 15 years, Nemiroff has received over 70 prestigious international awards, including Chicago Beverage Tasting Institute, The Vodka Masters, San Francisco World Spirits Competition, The Superior Taste Awards, International Spirits Challenge, Mixology Taste Forum, World Drinks Award, The Global Spirits Masters International Competition, Wine Enthusiast, The London Spirits Competition, The Fifty Best 1

# SPIRITS

## KEY ADVANTAGES

### Perfection of production

Nemiroff takes the pride in the undeniable quality of Nemiroff Vodka. The high production standard and sophisticated process combined with the latest technology result in a product that is recognized throughout the world.

Nemiroff works closely with the Krones EU team to keep our processing technique current. Once the vodka is ready for filtration, it goes through a multiple stage process of filtration which results in a unique, rich flavor

### Modern Technologies of Protection

Highly skilled specialists oversee quality control for Nemiroff Vodka. They work in an advanced laboratory using the latest technology supervising everything from tinctures and quality control to production. Laser marking technology is implemented in order to protect the Nemiroff trademark from imposters

### Compliance to International Standards

We are compliant with the international standards of quality management and we are recognized as both an innovator and leader.

Quality Management System ISO 9001

Food Safety ISO 22000

Technological marking ISO 14024

The Lean Six Sigma method is utilized to ensure provenance and environmental friendliness

# SPIRITS

# SPIRITS

## NEMIROFF DE LUXE

Alc. 40 % Vol. (80 Proof)

Inspired by a centuries-old vodka making tradition in Ukraine and by a distilling heritage of Nemiroff

Premium-class grain alcohol

11 stages of filtration. Last –silver

Clean, crisp aromatics tease the nose with hints of apple, lemon peel and mint

Perfect in a Martini or Moscow Mule, but the additional complexity and character means this vodka will hold its own in more complex cocktails, leaving room for creativity and vibrant mixes

# SPIRITS

## DE LUXE HONEY PEPPER

Alc. 40 % Vol. (80 Proof)

Made following the ancient recipes of our region dating back to the 16th century, this intriguing blend of flavors is pure Ukrainian genius.

Premium-class grain alcohol

11 stages of filtration. Last —silver

To this, we infuse real, estate harvested honey, chili peppers and a mixture of more than 27 spices and herbs. The result is a carefully balanced blend of sweet-and-heat reach flavor

Perfect as a chilled shot, or blended into your favorite cocktail for that extra kick. An ideal base for classic spicy cocktails, as well as their bold twists

# SPIRITS

## DE LUXE RESTED IN BARREL

Alc. 40 % Vol. (80 Proof)

Premium product created according to the authentic recipe.

Premium-class grain alcohol

11 stages of filtration. Last –silver

Rested in oakbarrels for over three months to enhance its character, aromatics, and flavor. The result is smooth, spicy flavor without edges, with just a hint of oak/wood to the aroma and flavor

# SPIRITS

## NEMIROFF GLOBAL ACCEPTANCE

**NEMIROFF PREMIUM  
PRODUCTS ARE RECOGNIZED  
BY THE WORLD EXPERTS  
70+ QUALITY AWARDS**

# SPIRITS

## NEMIROFF INKED COLLECTION

Leverages the heritage and category expertise of Nemiroff to establish a new sub-brand within the Flavoured Vodka category

Appeals to the younger adults audience who enjoy at-home consumption (house-parties) and do not consume neat vodka

Creates strong differentiation vs competitor

## NEMIROFF INKED COLLECTION - BOLD ORANGE

Alc. 40 % Vol. (70 Proof)

Due to the natural ingredients, ultraviolet light may alter this vodka's color  
Shelf life – 18 months

Nemiroff blends ultra-pure vodka, its 16th century inspired, all-natural honey pepper infusion recipe, and fresh orange flavorings, mellowing it in oak barrels, to create an all-new taste sensation

Nemiroff BOLD ORANGE is bright and clean, with just the right hints of sweet, citrus and spice. Sip chilled shots, or mix with orange juice and ginger ale for a perfect cocktail

# SPIRITS

## NEMIROFF INKED COLLECTION - WILD CRANBERRY

Alc. 40 % Vol. (70 Proof)

Due to the natural ingredients, ultraviolet light may alter this vodka's color  
Shelf life – 9 months

Nemiroff blends ultra-pure vodka, fresh / real cranberry flavorings, and just a hint of fine cognac to create a refreshing, slightly sweet new taste

Nemiroff WILD CRANBERRY is practically a cocktail in shot glass, or combine with a squeeze of fresh lime juice and sparkling water

# SPIRITS

## NEMIROFF INKED COLLECTION - BURNING PEAR

Alc. 40 % Vol. (70 Proof)

Due to the natural ingredients, ultraviolet light may alter this vodka's color  
Shelf life – 18 months

Nemiroff blends ultra-pure vodka, its 16th century inspired, all-natural honey pepper infusion recipe, and fresh pear flavorings to create an all-new taste sensation

Nemiroff BURNING PEAR offers a velvety, mellow flavor that opens with sweet honey-pear notes, followed by just a touch of heat in a rich, new way. Sip chilled or serve in a Sidecar or as a Spicy Mule

# SPIRITS

## NEMIROFF ORIGINAL

Alc. 40 % Vol. (80 Proof)

The first original drink from modern Nemiroff, the starting point of the modern brand history

9 stages of filtration

Masculine vodka taste and balanced aroma of caraway seeds & natural honey with a pleasant aftertaste that leaves a barely noticeable astringency

1000 ml 700 ml 500 ml 200 ml 100

10 x 1000 ml

15 x 700 ml

# PRIVATE LABELS

**VADMACA** has been moving in private label business where we take high quality alcohol products bottle or even can them under our customers labels in a turn-key program

## KEY PRIVATE LABEL OPTIONS:

- Use your label or one of our approved designs
- Use the best packaging for the private label product (bottle, can etc.)
- Large and small lots with consistent supply
- Great products at each pricing tier
- We supply alcohol products to your specifications
- All varietals and beyond
- Our friendly staff provides assistance all the way

## UNIQUE CUSTOM DESIGNS

### KEY PRIVATE DESIGN & BRANDING OPTION:

As **VADMACA** is an expert in promotion and marketing beverage brands in Canadian, Asian and European markets, we offer also the wide range of design consulting services to consumer products manufacturers having highly professional designing team.

Unique ideas are the basis of every good product – we have a lot of unique ideas and are happy to work them out for you. We develop everything from concepts up to series for more than one and, of course, individual packaging along with it.

Or, if you prefer, bring us your ideas and we do the graphical implementation.

We believe that design is creativity which is matched to the product and the expectations of the consumers. We are more than familiar with the necessary technical requirements of our products. So why not let our professionals implement your ideas. Our know-how can save your money, too.
